*Historic Autographs is excited to kick off 2015 with a new and improved 2015 HA Art of Baseball edition. The set will be a great chase for those who are actively using the PSA/DNA Set Registry because all (18) of the **SHORT PRINT** cards have exactly **FIVE** examples of each. As with all Historic Autograph SP cards, the value of these cards are increased exponentially on the open market as collectors of the set try to complete the entire series.*

*Those who do try to put the set together will be rewarded at the 2015 National Convention with prizes for the **TOP 5** sets - the prizes include signed **PROMO 1/1** Art of Baseball cards (same format as the regular cards but with a special title on the PSA tag). The five prizes are - in order - Kirby Puckett, Hank Greenberg, Burleigh Grimes, Larry Dody and Ted Lyons. More details to follow on our website, Facebook & Twitter accounts.*
